

## Core values

Our parent body Village Uplift Society is established in 1960 under the guidance of Late Dadasaheb Kannamwar, Ex. Chief Minister of Maharashtra and great social worker Annasaheb Gundewar. The vision of the society is to serve the society as a whole, providing quality education and inculcate life skills in the youth. Our founder secretary Annasaheb Gundewar was associated with *Bharat Sevak Samaj* till the last breath.

Annasaheb Gundewar College is established in 1984 in the name of Founder secretary who is the invaluable source of inspiration and service to the society. The main motive of the college is to provide quality education to semi-urban and rural youths at affordable cost. The core values of the institution are listed below-

**Social Service-** Our parent body is established mainly to serve the society. There are schools and junior colleges run by this society at remote areas of Maharashtra which includes Kannamwargram, Arvi, Nara and Karanja. Apart from educational institutions society runs Watershed projects, Adiwasi Welfare Projects to serve the different sections of society. We are focused on promoting the sense of social responsibilities among the students. We are bound to create awareness regarding social issues among the students.

**Encouragement** - Encouragement is provided for critical and analytical thinking, decision making and social obligation in our students. Employees are motivated to work hard for the all round development of the students. Every staff member strives to put efforts to achieve organizational goals.

**Accountability and Transparency** – We are engaged towards developing an atmosphere where every member takes responsibility for personal and professional growth. Every member is accountable for the duties he has assigned. This atmosphere leads to develop the students for every walk of life. The activities and procedures undertaken by the institution is transparent and open to society as a whole.

**Freedom of thought-** There is a freedom of speech and thought. Every human element has equal right to participate in decision making. We believe that freedom of thought and expression is fundamental requirement in educational institution where raw minds are converted into intellectual personality. Everybody is valued in view of their commitment and participation.
